

7UPTV

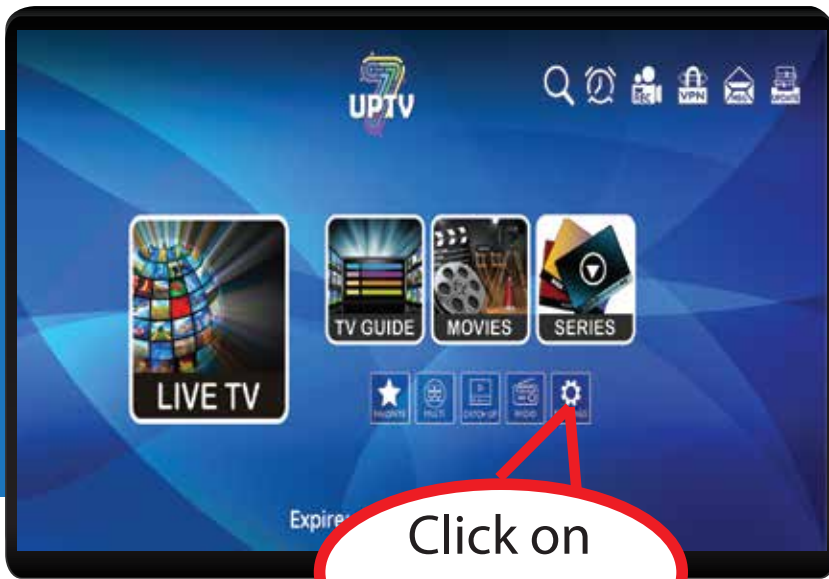

Updating Your 7UPTV App
For Fire TV Sticks and Android Devices

NOTE: You can complete your 7UPTV update the same way on all your Fire TV Sticks, Mobile Phones and tablets.

1

Turn on your Fire Stick and click on 7UPTV APP.

Click On "SETTINGS" Button on lower right.

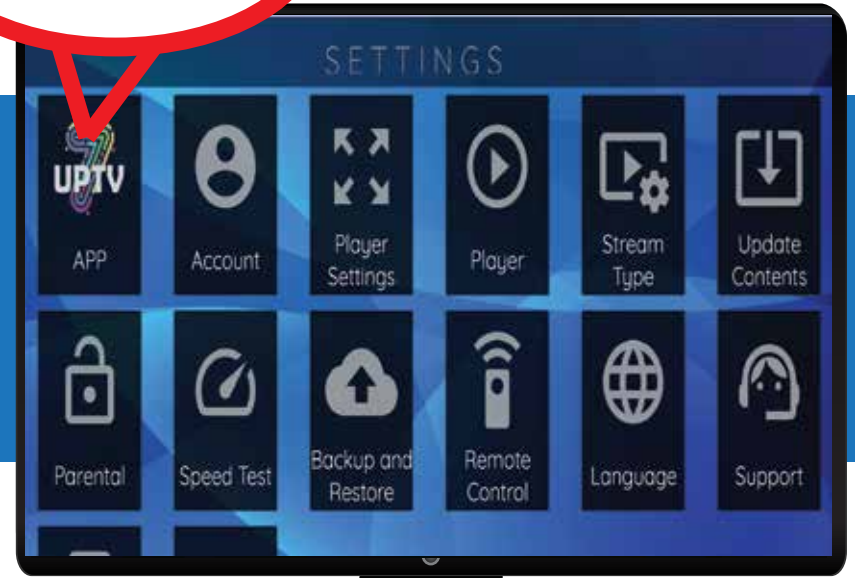

2

3

In the Settings page, Click on the "7UPTV APP" Button

Click on
7UPTV APP

Click on
CHECK UPDATE

4

Click on "CHECK UPDATE" and follow prompts to complete update to newer version.

Once you complete your update, you do not need to enter your Username and Password again.
